

Application for One Completion Scholarship - Progress Report and Work Schedule

Name the (working) title of your dissertation and give a short summary:

Describe the current state of your dissertation (i.e. Where exactly are you in terms of research, writing and/ or publishing? Which parts are already finalized and what additional steps have to be taken for parts that are not finished yet? Please include a list of finalized and published articles or chapters of your dissertation.)

What kind of difficulties have you encountered during your work on the dissertation so far and how and why has this impacted the timeline for your dissertation?

How would the scholarship benefit the outcome of your project?

Engagements and Involvements within and outside of the Graduate School (e.g. participation in events, Student Council, activities within university self-administration, social work etc.):

Outline a precise and realistic work schedule for the funding period.

Further notes:

Place, Date

Doctoral Candidate
